

Claims

SDIC takes great pride in the service we provide to our school districts. Our knowledgeable claims staff stays on the cutting edge of claims investigation and management of the claim to provide you with the effective results. We are aggressive in our pursuit of information critical to future claims handling and we utilize experts in the field of occupation injury to assist in managing claims. These professionals assist us in securing return to work solutions, litigating the difficult claim and overseeing the medical components of the work-related injury.

SDIC will assist any truly deserving injured worker with the goal of return to work in a productive and safe manner.

[Claims Management](#)
