

Financial

SDIC's mission statement ensures high quality loss control and claims management services to our member school districts through our workers' compensation Safety and Service programs. We are also committed to Security and Savings through our conservative investments and prudent funding to meet the highest level of confidence available. Open channels of communication foster the spirit of cooperation and confidence necessary to meet the needs of all our members. On-line forms are available to expedite your service and alleviate your concerns. Individual review of any financial concern is available to all our members upon request.

Non Profit – Governed by Board of Directors
