Mission Statement

The mission of SDIC is to provide high quality loss control and Claims Management Services to our members at a premium which reflects effective cost containment and savings.

The administration and staff of the School Districts Insurance Consortium is dedicated to foster the spirit of cooperation, confidence and open communication for all it's members.

These values are mutual and beneficial to all the members we serve.

About SDIC

SDIC, a self-insured Workers' Compensation Claims Administration program for public schools, was founded in 1979. We are proud of our many years of excellent service to the educational community.

SDIC, the largest self-insured pool in Pennsylvania, provides its members with experience and aggressive claims management. We place strong emphasis on loss control, accident prevention, safety and cost effectiveness.

Approved and certified by the Department of Labor and Industry, SDIC is proud to maintain the highest level of confidence and service to the industry. Our competitive rates are annually determined by our members for our members.
